Program Announcement

Purpose: The Commonwealth of Virginia established the Award Fund in 1982 to promote research into Alzheimer’s and related diseases. Because of a commitment to program balance, the Fund encourages scientifically rigorous applications from a broad spectrum of disciplines. Studies may involve:
(1) the underlying causes, epidemiology, diagnosis, or treatment of Alzheimer’s and related diseases;
(2) policies, programs, and financing for care and support of those affected by Alzheimer’s and related diseases;
(3) or the social and psychological impacts of Alzheimer’s and related diseases upon the individual, family, and community.

Funding: The size of awards varies, but is limited to $45,000 each. Number of awards is contingent upon available funds.

Eligibility: Applicants must be affiliated with colleges or universities, research institutes, or other not-for-profit organizations located in Virginia. The Fund encourages partnerships between community-based agencies/facilities and academic institutions in Virginia.

Schedule: Letter of Intent: By March 10, 2017 prospective applicants are required to submit a non-binding letter of intent that includes a descriptive project title, contact information for the principal investigator, the identities of other personnel and participating institutions, a non-technical abstract, and 4-5 sentence description of the project in common, everyday language for press release purposes. Letters on letterhead with signature affixed will be accepted by email to ccoogle@vcu.edu.
Applications: Applications (original and three hard copies sent by carriers who date stamp on or before the due date required, with an electronic copy also e-mailed on or before the due date) will be accepted through the close of business April 3, 2017.
Announcement of Awards: Award decisions will be announced by June 23, 2017.
Funding Period: The funding period begins July 3, 2017 and projects must be completed by June 29, 2018.

Review: Three qualified technical reviewers, one of whom is identified by the applicant, will review proposals for scientific merit. The Awards Committee will make the final funding decision.
